ORDER

Before the Court are (1) appellant's April 4, 2019 motion "for stay and abatement;" (2) appellant's April 5, 2019 "motion to stay this appeal;" (3) appellees' April 11, 2019 response in opposition to appellant's motions for stay; and (4) appellant's April 23, 2019 "objections to appellees objections." In her April 4th motion, appellant appears to complain of our April 1, 2019 order directing her to file written verification she has made arrangements to pay the reporter's fee.¹ In her April 5th motion, appellant appears to request a stay of this appeal until the Court receives "supplements" of records from "outside cases." We **DENY** the motions.

As briefing appears complete, this appeal will be submitted in due course.
